Leave to 10th inst.

The leave applied for by Mr Hay is only for a month & 4 days. The arrangement proposed seems to be a good one but the time is very short & there is no chance of other arrangements being made.

The leave may be granted. I agree with the Secy in thinking that the services of a responsible officer as a Police Asst is available for the Gold fields. Mr Nandram may be placed in charge of the Gold fields Police in addn to his own duties during the absence of Mr Hay on leave.

From

To

THE SECRETARY TO THE GOVT. OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

Sir,

In continuation of this office letter (d. 1)
No. 2374/94 dated 16 December 94 recommending
that Mr. Hay, assistant Superintendent of Police,
Kolar Gold Fields, might be granted one month
and four days privilege leave with effect
from 1 March 1900 or such other date as
he might avail himself of the same and
that Mr. Hamilton Superintendent of Police,
Kolar district, might be placed in charge
of the Gold Fields Police, in addition to
his own duties, I have the honor to
forward herewith for the information of
Govt.

Government, Copy of letter No: 2315/1861 of the
Ultimo from the Deputy Commissioner, Kolar.

I agree with the Deputy Commissioner in his proposals in regard to the re-arrangement of Police charges but would suggest the following modifications.

2. It is very desirable that the District Superintendent of Police should be in touch with the Deputy Commissioner and Bowringpet being within an easy distance from Kolar and train communication between Bowringpet and the Gold Fields being also easy and available at convenient hours, Mr. Handin may be placed in charge of the Gold Fields Police with Head Quarters at Kolar as at present. As he would be required to devote much of his attention to the Gold Fields, it is desirable to confine his charge to the Talukes of Malur, Srinivasapur, Mulabagal and Kolar in addition to Bowringpet and Gold Fields. The inclusion of these Talukes in the

the Police charge of the Gold Fields, will materially help in putting down crime in the Gold Fields.

3. The Talaks of the Chickballapur Sub division as per margin × together with the Talaks of Sidlaghatta and Chintamani, may be included into one charge under another Police assistant Superintendent with Head Quarters at Chickballapur. It does not appear to me to be desirable to place this officer in subordination to the District Superintendent of Kolar, as proposed by the Deputy Commissioner, as useful instructions could be given by the Deputy Commissioner himself, as the head of the Police department in the whole district. The Sub Division Police would be placed under the immediate control of the Sub division officer of Chickballapur so far as Police matters of the Talaks of the Sub Division are concerned, these and other matters relating to the Talaks of Sidlaghatta and Chintamani, being, of course, under the general

general control of the Deputy Commissioner.
The present small establishment attached
to the office of the Assistant Superintendent
of Police of the Kolar Gold Fields, maybe
transferred to Chickballapur for duty and
ties with the Prosecuting Inspector whose
services are still retained as reported
in this office letter No: 1613/130 dated 12 October
1899, to Government, may be considered
sufficient to form the new Police office
at Chickballapur. If the work should be
found too much for the establishment,
I may, later on, submit a proposal for
orders of Government for the sanction of
an additional hand on a salary of Rs 20/-
or Rs 25/- or for transfer of one on that pay
from the District Police office at Kolar as
was done on a former occasion if possible.

× Subject to Revision on 1-11-19

4. As the leave applied for by
Mr. Kay is only a short period and as
the proposals made, involve no extra
cost to Government, I think that this
arrangement may be given a trial and

May be granted -

which I beg to recommend for the favourable

and recommend that the Government may be pleased to accord their sanction to it at an early date.

Enclosure No.

Sir,

As Mr. Hay, the Assistant Superintendent of Police, is, I believe, going on leave shortly, and as Mr. Sewell, whom I had proposed to act for him has left, I would beg to propose the following arrangements. Mr. Standish to be Superintendent of the District Police with Head

Quarters at the Gold Fields, with an Assistant Superintendent of Police to work under him with Head Quarters at Chikkaballapur and the Sub-Division as his range. I make this proposal as I consider the Gold Fields the most important range of the whole Province and requiring a man of experience more than anywhere else, and on the other hand, the Sub. Division of Chikka-ballapur with the Taluk of Siddagatta would be an excellent training school for a probationer under the guidance and direct control of the Police Superintendent.

As I consider the revision of the Police Establishment to be a matter of great importance, I would request you to kindly give it your best consideration, and if you agree with me, sanction it at any rate

In my opinion it is desirable that there should be a separate and distinct Police for the Kolar Gold Fields as mentioned, and that the Police should be in charge of the Police Inspector - The additional Police should be an European - Pending the selection of such an Officer some temporary provision may be made for Commissioned Officer for appointment.

Sir,

I have the honor to acknowledge your official Memorandum No. 10521 - J.1036 dated 21st. Instant forwarding copy of Notification No. 10520 - J.1035 of the same date, sanctioning five months Extra-ordinary leave to Mr. F. S. Hay, Assistant Superintendent of Police, Kolar Gold Fields and requesting me to address Government officially as regards the representation of the Mining Board and my proposals thereon. I beg accordingly to forward herewith a copy of the letter from the Secretary to the Kolar Gold Fields Mining Board addressed to the Deputy Commissioner of Kolar expressing their wish that a Police Superintendent should be resident on the Fields and to request that early orders may be passed by Government on the proposals made by me in this office letter No. 2910 - 244 dated 9th. February 1900. I still adhere to my opinion that for efficient Police Administration of the Gold Fields, it is very necessary that the Taluks adjoining the Gold Fields should be included in the charge of the Police Superintendent for the Gold Fields The question as to the Head Quarters of this officer is of comparatively minor importance and may be determined later on after a trial for a period of six months. By that time we shal

know for certain whether Mr. Hay is likely to return to his duties and steps may also be taken for securing suitable accommodation for the Police Superintendent and his office at the Fields or Bowringpet.

If there is likely to be any delay in passing orders on this question, I would press on the attention of Government the urgent necessity that exists for another Police Assistant Superintendent being immediately posted to the Kolar District. Mr. Haudin has been in sole charge of the whole District including the Gold Fields since the 1st. Instant, and his presence may be required at any time in the remote parts of the District. The additional Police Assistant may be directed for the present to work under Mr. Haudin and attend to the Northern and Western parts of the District and other office work at Head Quarters, Mr. Haudin being in immediate charge of the work on the Gold Fields.

Kolar District, Kolar Town

Sir,

I have the honor to state that it has come to the knowledge of my Board that upon the retirement of Mr. Hay, the present Assistant Superintendent of Police, Kolar Gold Fields, his duties will be placed in the hands of an officer who will not be a resident on the Field, and who will in addition have charge of the Police of the Head Quarter District. The Board will feel obliged if you will inform them whether such will be the case, as they have had no official intimation to that effect.

Some time ago the Board's request that the Superintendent of the Gold Fields Police should be allowed to reside on the Field was granted and they trust that Government will be pleased to continue this arrangement which has hitherto been attended with the most satisfactory results.
